

The FISH in the Camp name stood for ***“Finding Immovable Strength & Happiness – Knowing That You Are A Daughter Of God”***. The day’s activities included, in addition to the popular Swanky, learning also about other old Cayman customs, games, storytelling, and how a number of the traditional Cayman dishes were cooked – and, even more fun, sampling the fare, savoury and sweet! It also included Girls Brigade Knowledge, with GB Cayman Founder Mrs. Olive Miller, along with Mrs. Iva Good, who, like Mrs. Miller, has served at every level in Cayman but also as International Vice-Presidents and in other senior positions in the Leadership of Girls Brigade International. Activities included, Crafts, Exploring, Talent Show, Maypole plaiting/dancing, Games (old and new), Bonfire and Sing-along. The Leaders had organised a superb day for the Girls and, with the help of the other volunteers they called in for the old-Cayman activities, everyone had an uplifting and renewing experience.

Helping “Swanky” on the fiddle!

Bonfire & Sing-along

Maypole

That “Swanky” band - and Fans!
