

Induction of the Minister

Rt. Rev. L. Christopher Mason was formally inducted as the Minister of the George Town Charge by Ms. Angela Martins, the Chair of Council, at a service in the Elmslie Memorial sanctuary on Sunday 15th October, 2017. The Preacher for the occasion was the General Secretary, Rev. Norbert Stephens.

The service was led by Rev. Donovan Myers of the John Gray Memorial Church. The narrative was read by the Regional Deputy General Secretary, Rev. Dr. Yvette Noble Bloomfield. Rev. Chris' wife, Annmarie, and daughter, Chrysannae, joined him as he responded to the questions asked of him by the Chair of Council.

Rev. Mason received a Bible from Council symbolizing the centrality of the Word for us in the Reformed Faith. The family was presented with various gifts from the Charge. The service was followed by a fellowship dinner.

It was pointed out that the occasion was unique in that no serving Moderator had ever before been inducted as Minister into a Cayman Islands Regional Mission Council Charge.
