Now is an opportune time for reflection and prayer. The months so far this year have been filled with many experiences and we have had a long summer of challenges. We have seen the wonders of nature as well as witness the depth of human suffering and yet the deep care for each other. We have experienced the loss of loved ones, changes in our homes and marriages, social conflicts, beginnings and endings. We also have much to be thankful for and we have praises on our lips.

Come explore the Prayer life of the Disciple and join the Ministers in Council as we share on the Essentials of Prayer, Private and Public Prayer, Intercessory Prayer and the Ministry of Prayer.

Come to a quiet place to reflect, pray, fellowship, learn, pause and lean in. A fellowship meal will be provided.

Please submit your Registration Form by Monday 2nd October, 2017.

Please return Registration Form to the Council Office. Email rdgs@cicucjci.com
