CAYMAN ISLANDS REGIONAL MISSION COUNCIL (WEEKLY UPDATE)

Congratulations Rev. Harry Bodden!

We thank God for the Rev. Harry Bodden who celebrates forty-seven (47) years of Ordination to the ministry of Word and Sacraments. Rev. Harry was ordained on the 18th January 1970 and over the years has served with distinction in the Porus Charge, First Hill and then the Falmouth Charge. He also served briefly at the Hampden, Barrett Town and Mt. Zion Congregations in Jamaica. In the Cayman Islands, Rev. Harry served in the Bodden Town /North Side Charge and the East End / Gun Bay Charge. Rev. Bodden is an avid reader and is a deep thinker.

A quiet soul, he serves God with faithfulness and has a passion for Christ and the Church. Rev. Harry is always enquiring about his colleagues and regularly keeps in touch with his friends in ministry. He offers ministry through the 'Worship the Lord', the United Church's radio program in Cayman and he also does his own radio broadcast, 'Trust in Lord' every other Tuesday morning on Radio Cayman. May God continue to keep Rev. Harry in good health and to bless him in all his endeavours. In the United Church we are truly appreciative of the wonderful blessings that have been received through the ministry of Rev. Harry Bodden.

For Your Prayerful Support

We express our sincere condolences to the family of the late Mr. Ken Wright. Ken was a faithful member of the John Gray Memorial United Church.

Cayman Prep Student raises money for NCVO

Grade 7 Cayman Prep and High School student Jaden Thompson spent his Saturdays raising money for children in need. Jaden, 11, stood for hours in front of the Book Nook in Galleria Plaza on Saturdays asking shoppers to donate their spare change so that children at the National Council of Voluntary Organizations' could have a better Christmas this year. His goal was to raise \$500, but he managed to raise \$600. *Read more about this story by coping and pasting the link below in the internet search bar.*
